

REQUEST FOR EXPRESSION OF INTEREST

RESELLER OPPORTUNITY- Mining Engineering Support Services

Ivanplats is committed to local development through procurement and/or supplier development opportunities.

An opportunity has been identified to assist a local entrepreneur (Company or Individual) with entering an agency arrangement with a national supplier of mining goods and services.

PACKAGE NUMBER	PACKAGE DESCRIPTION
IVP-EOI-ESD2402	Mining Engineering Support Services (MES)

At Mining Engineering Support Services, we understand the unavoidable intricacies of any mining project. After all, it's the many, small moving parts that constitute the larger bulk of planning and executing any mining project. It is for this reason we partnered with various service providers to help you manage your operations effectively and proactively with safety top of mind.

Mining Engineering Support Services has strategically aligned itself with industry service and product providers to offer unique solutions for both day-to-day challenges and extraordinary situations. These include:

- Conveyor Belts and Conveyor Consumables
- LED Strip Lights
- Process Control Valves Solutions
- Hydraulic hose tags
- Submersible Pumps

Mining Engineering Support Services has unparalleled access to valuable resources, expertise, and industry insights. By leveraging this extensive network, Mining Engineering Support Services assist clients in maximising mining projects by providing proactive solutions. With an extensive network of engineering experts specialising in the mining industry, Mining Engineering Support Services has the knowledge and expertise to help you solve unique problems. We understand that no two mining projects are the same, so why should your service be? Trust Mining Engineering Support Services to provide tailored solutions for your specific challenges.

Introduction to reseller and development opportunity.

Mining Engineering Support Services is seeking a Mokopane based agent for its range of products and will provide ongoing technical training to assist in becoming familiar with its range of products.

Ivanplats (Pty) Ltd is issuing this Request for Expression of Interest on **behalf** of Mining Engineering Support Services to attract interested Historically Disadvantaged South African (HDSA) suppliers and individuals that meet the minimum standards required by them.

1. GENERAL DESCRIPTION OF THE REQUIREMENTS AND TIMELINES

Identification and selection of suitable agent for MES

DESCRIPTION	END
Closing Date	24 May 2024
Shortlisting and Interviews	14 June 2024
Selection and Award	30 June 2024

2. SHORTLISTING PROCESS:

The following process will be followed to evaluate and select the preferred candidate:

- **Documentation review**- kindly ensure that **all** requested documentation is submitted and is legible. Should you require assistance with the copying or scanning of your documents, kindly visit the Ivanplats Cyber Centre at X1 for assistance.
- Shortlisted candidates will be further required to undergo the following process:
 - Panel Interview with representatives of Ivanplats and MES.
 - Full credit, criminal and qualification review

3. RESPONDING TO THE EXPRESSION OF INTEREST

3.1. Completed and Signed Letter/Expression of Interest with required documentation.

3.2. Should you not hear from MES within 30 days of the closing date, kindly consider your application unsuccessful.

Note, this Request for Expressions of Interest does not amount to any contractual obligation on the part of Mining Engineering Support Services or Ivanplats to enter into any agreement with any applicant.

MES reserves the right to cancel, suspend, or withdraw the Request for Expressions of Interest process at any time and will not be responsible for any costs incurred by potential responders. The prospective supplier/candidate is responsible for all costs associated with the preparation and submission of their Expression of Interest.

If any criteria within the Expression of Interest submission are determined to be non-compliant, the submission will not be processed. If, however, the Supplier/Candidate declares its non-compliance and offers an alternative solution that is acceptable, this may be considered. Any information and/or documentation given and later found to be incorrect shall lead to disqualification of the prospective Supplier/ candidate.

This document does not entail or imply any commitment on the part of MES and or Ivanplats, either financial or otherwise, nor shall it be considered a specific invitation to tender. This does not represent or constitute any obligation or commitment by MES or Ivanplats to enter into any agreement with any person, entity or organization.

Canvassing will lead to automatic disqualification of the prospective Supplier / Candidate

In the event that any information furnished is incorrect, inaccurate, misleading, or amounts to a misrepresentation of whatsoever nature, MES reserves the right, exercised in its sole and absolute discretion, to cancel your submission or take other appropriate legal action against your enterprise.

MES confirms it has not appointed or mandated any other agents or representatives to perform juristic or any other acts on behalf or in the name of MES and will not be held responsible for any expectations or obligations arising from agreements entered into between a third party and an unlawful representative acting as an agent.

4. Queries and Correspondence

4.1. All correspondence must indicate the above-mentioned MES Agency Opportunity.

4.2. Any queries or clarifications shall be requested in writing via e-mail, to ivpesd@ivanplats.com

Closing Date: 24 May 2024

Please submit Expressions of Interest and all supporting documentation to the:

Tender Box at X1 at the Ivanplats Mine Gate / Security. Please mark MES Agency Opportunity.
Att: ESD Department

Late submission will not be acceptable. Any application(s) received after the closing date will be considered late and will be excluded.

Vendors/candidates who do not match the requirements will be excluded from the shortlisting and interview process. Priority will be granted to qualifying suppliers.

No email submissions will be accepted under any circumstances.
